

Dear Worship Folks!

We need YOU to make Freakstock 2010 the Jesus Festival it is supposed to be. To help you make your decision, here is some information that would concern you.

The worship dates are as follows: (each on Thur 29.7.10, Fr 30.7.10 and Sat 31.7.10)

Module-Praise Time (up to now): 10:45-11:45
i.e. worship happens simultaneously on 3 or 4 stages (Mainstage, Turbinenhalle, Artstage, Raketclub), to begin the day or as a kick-off for the services and seminars.

Nightpraise Time (up to now): 00:00 – 1:30
Last session on Mainstage. Finish the the day together in the presence of the lord, feel free to add alternative lyrics, mediation or what else is on your heart.

Fathershouse Service Time: 20:00 – 22:00
Join the Fathershouse-team to arrange the service together. Because of the physical conditions (it's indoors and you might not even have a PA...), there's only room for a small set-up.

Liturgical worship aka Liturgiegottesdienst (23:00 – 0:00)
Liturgical Worship with Pastor Norbert Roth. We're talking about like 5 Songs in the beginnig and background music during the lord's supper.

Don't forget to schedule some time for soundcheck, setting up and stuff.
You'll have the same status as Staff-Members, this means: entrance fee (around 30 €), 3 free meals a day and all you can drink – water. (But unlike for Band-Members, there'll be no refund of your travel expenses).

All in all it would be three sessions for Fathershouse and Liturgiegottesdienst, same time every night. You'll have the opportunity to discuss the details with the service leaders as part of their team before the festival. But the general organisation and applications is still done by us.

You would have to play two sessions of Module-Praise (Modul-Lobpreis) and Nightpraisie (you can also play three if you wish to do so), but not more than one a day. Please inform us in your application if you wanna do just Module-Praise and which stage you prefer.

Stages:

Mainstage: open air, complete PA
Turbinenhalle: indoor, complete PA
Artstage: indoor, smallPA
Raketclub: indoor, DJ Set

Fathershouse/Liturgiegottesdienst: indoor, maybe just a monitor box for vocals
Each beand will have their own guide: your person of trust at Freakstock and during the preparation, your contact person for questions of any kind. He/she will accompany you on your performances.

There will be no lyrics in the program books, but indoors and during nightpraise, there'll be beamers available.

Finally I wanna point out that we'd be very pleased to receive applications from bands outside of the Jesus Freaks movement! Also, we'd be pleased to have unusual, new band projects as well as "traditional" formations, or just one guy / girl + instrument! Especially

for the rocket club we are looking for bands / projects, which suite it well in terms of style and technique.

To all the bands from within the movement: as we receive a lot of applications, we want to remind you of the opportunity to arrange a whole module-service with your own church / fellowship and thus to get on stage anyway.

What we need from you:

Band description: name, members, formation, instruments, special features in terms of technical needs

Style of music + mp3 [audio sample](#) (but please avoid large amounts of data) or a link to your homepage, myspace etc.

History: Where have you been playing before and what is your level of experience on stage?

Why do you worship? **What** do you love about worship?

What kind of songs do you normally play? (your own songs, Jesus-Freak Songs, Hillsongs, traditonals...)

Which dates would you like to apply for? Which ones do you prefer? Which ones are unacceptable?

In the End the most important dates for you:

Deadline for applications is May 15th 2010

Please send applications and all concentering questions to lobpreisbooking2010@freakstock.de All given information is based on last year. In case of any changes we'll inform you in time.

We're looking forward to your applications and we're excited to see what's gonna be going on this year.

Locking forward to Freakstock 2010
