

Important information!!!

Dear parents, relatives, friends, ...!

1. For each child who is going to visit the Kidworld, we need a completed registration form. Please hand it to our staff at the kidsworld registration counter.
2. Anytime a child arrives or leaves the Kidsworld we write it into a list. For this reason please inform the staff at the registration counter.
3. Remember which number your child receives from us! We write the number on the child's hand so we always know who is who (exceptional we will write it on a piece of tape but this solution is not as durable as the other).
4. Everyone who is allowed to pick your child up needs to be able to identify themselves if we are in doubt. Unfortunately we can not remember all faces. So we might ask for an ID here and there. It is important for you to tell this to anyone who picks your child up!
5. Please look after your child from time to time to find out if it is still ok with hanging out in the Kidsworld or if it might be hungry or anything else.
6. Please leave your mobile phone number so we can reach out to you in small and big "emergencies".
7. The Kidsworld is run voluntary and we can not be made liable for any damage that may be caused.
